## ALREADY EXPERIENCING THE EFFECTS OF AGING?

Collagen and elastin are the vital proteins that make up the supporting structure of the skin and keep it looking firm and youthful. However, as you age, it takes a longer time for your body to produce them which contributes to sagging skin. Prevention is the best way to maintain your skin's firmness and elasticity. What can you do if you're already experiencing the effects of aging?

### DISCOVER MINT<sup>™</sup> PDO

MINT<sup>™</sup> PDO is a powerful and robust PDO thread that can deliver natural results for sagging skin without surgery. In just one hour, you can see instant rejuvenation that can last for up to one year. There's minimal pain and minimal downtime involved, so you don't have to put your life on hold.

Looking and feeling your best shouldn't have to be hard. Ask your provider about what MINT<sup>™</sup> PDO threads can do for you.

Minimally Invasive Nonsurgical Thread

### BACKED BY SCIENCE AND INNOVATION

## **BENEFITS OF PDO THREADS**

# 

# THE SAFE AND NONSURGICAL SOLUTION TO SAGGING SKIN

MINT<sup>™</sup> PDO threads are barbed sutures that help reposition sagging skin for a refreshed and youthful rejuvenation.

PDO or polydioxanone is a biodegradable sugar-based material that has been safely used in cardiovascular and orthopedic surgery for decades.

100% I would recommend it. I think it's been a remarkable experience for me... You need to know what your expectations are and have real expectations, but I would definitely encourage anyone who's interested.

Heather (Colorado, USA)

I cannot believe the difference. I'm so excited and completely thrilled. I actually had tears in my eyes when I saw the difference from the before and after.

Irene (California, USA)
