ADVANCED REJUVENATION AND EXFOLIATION

Turn back the hands of time and enhance the natural process of exfoliation to improve skin texture, cellular regeneration, and stimulate collagen production.

Reduce uneven pigment and discolorations, fine lines, wrinkles, pore size, and acne scars.

A series is usually recommended and your Aesthetician will guide you as to which procedure will be most suitable.

Advanced Facial Treatments

MICRO-NEEDLING (Collagen Induction Therapy)

Micro-needling is the ideal way to generate new collagen and elastin by creating tiny microscopic channels to stimulate skin's healing response resulting in newly tightened, radiant skin.

Improve fine lines and wrinkles, flaccid skin, acne or burn scarring, and stretch marks.

Increase topical efficiency of skin care products. Most people notice tighter, healthy glow immediately after. As collagen remodels (up to 200%), your skin will continue to improve for six months.

30min \$300 per treatment, Series of (3) \$750

DERMAPLANING

Instant Gratification! Delicately removes surface debris, while removing superficial vellus facial hair, improving skin texture, and the efficiency of other treatments such as a chemical peel. Dermaplaning is a great alternative to microdermabrasion: treating mild hyperpigmentation, acne scarring, fine lines, wrinkles, and rough or dry skin.

Dermaplaning Facial \$125, Series of (3) \$315

ZO STIMULATOR TREATMENT (30% Salicylic, Lactic, and Citric Acid)

The perfect lunch-time treatment to improve overall skin tone and texture with no downtime.

A must for rough or dull skin: using a unique combination of exfoliating ingredients to renew and revive skin.

30min \$100, Series of (3) \$250

Add on Aloe Hydration Mask, Brightening Mask, or Deep Pore Oily/Acne Sulfur Mask
